

Exam MB-330 All Actual Questions(2025/10/23)

Question #1

Topic 8

Introductory Info

This is a case study. Case studies are not timed separately. You can use as much exam time as you would like to complete each case. However, there may be additional case studies and sections on this exam. You must manage your time to ensure that you are able to complete all questions included on this exam in the time provided.

To answer the questions included in a case study, you will need to reference information that is provided in the case study. Case studies might contain exhibits and other resources that provide more information about the scenario that is described in the case study. Each question is independent of the other questions in this case study.

At the end of this case study, a review screen will appear. This screen allows you to review your answers and to make changes before you move to the next section of the exam. After you begin a new section, you cannot return to this section.

To start the case study -

To display the first question in this case study, click the Next button. Use the buttons in the left pane to explore the content of the case study before you answer the questions. Clicking these buttons displays information such as business requirements, existing environment, and problem statements. If the case study has an All Information tab, note that the information displayed is identical to the information displayed on the subsequent tabs. When you are ready to answer a question, click the Question button to return to the question.

Background -

Best for You Organics Company started as a home - based business. The founders began making handmade soaps and bath products in their kitchen. As sales increased, the business established a production facility and distribution center that supplies three retail stores.

Soaps and bath products are manufactured in the production facility and are stocked in the warehouse for distribution to the retail stores.

Employees at retail stores use mobile point of sale (MPOS) tablet devices to sell the products to customers.

The company structure is a single legal entity with two sites as shown in the diagram below:
